**Cass Magda** is one of today's most respected instructors in JKD in the world today and considered a true heir to the legacy of Bruce Lee. He was the full time traveling teaching assistant of the great Dan Inosanto for 6 years touring, training with him for 10 and teaching worldwide.

Respected by all the elders (original students of Bruce Lee) of the JKD family, Cass has trained with the majority of them, many serving as advisors to the MI Program. He now heads the Magda Institute in Los Angeles, California which has branch schools in Europe, USA and Asia. He has appeared on the covers of 16 magazines worldwide, been in several films notably starring in Hawk's Vengeance and has written countless articles on JKD, FMA and Silat.

Due to the unique nature of this seminar that requires hands-on with each individual, the number of seminar participants will be limited.
